**Walker, Harwood endorse Hintz for Treasurer**

Former candidates Jeff Walker and Warren Harwood have endorsed Steven Hintz for Ventura County Treasurer-Tax Collector in the November runoff, after Hintz finished first in the June balloting.

“You are the best candidate to provide stability to the office and to use technology to bring it to 21<sup>st</sup> century standards. I am proud to support your campaign,” wrote Jeff Walker who was just 1600 votes short of making the runoff himself. Walker is particularly well known in Camarillo where he is a popular businessman and community leader. He attracted countywide support from forward-thinking voters who realize the need for long-term continuity of service in a sensitive position like Treasurer-Tax Collector.

Warren Harwood wrote: “You are to be congratulated on your victory in the highly-competitive Treasurer-Tax Collector election. Your ethical campaign conduct and most memorable phrase ‘After all, it’s your money’ will help you meet the daunting task ahead of you. I am committed to assisting you in your campaign.” Harwood is a long-time public servant who currently serves on the Pleasant Valley School District.

“I am honored to have the active support of Jeff Walker and Warren Harwood,” said Steve Hintz. “Both Jeff and Warren are outstanding individuals who are active in the community and dedicated to the betterment of Ventura County.”
